

STEERING COMMITTEE ISSUES

MISSION STATEMENT

The mission of the Streetsboro City School District's Steering Committee is to provide participatory management, to communicate more thoroughly through an increased awareness and understanding of all sides of an issue, and to strive continually to make Streetsboro City Schools a better place.

GOALS

- To enhance communication between staff and administration.
- To share in the decision making process.
- To improve the achievement of District goals.
- To help provide a positive sense of direction.
- To explore all points of view and to strengthen respect for other's viewpoint.
- To provide a forum for which the District's issues, concerns, and options are discussed with staff and administration.
